# Ten Thoughts to Ponder in 2010

## Number 10

### Life is sexually transmitted.

## **Number 9**

**Good health is merely the slowest possible rate at which one can die.**

## **Number 8**

**Men have two emotions: Hungry and Horny.  
If you see him without an erection, make him a sandwich.**

## **Number 7**

**Give a person a fish and you feed them for a day,  
teach a person to use the Internet and they won't bother you  
for weeks.**

## **Number 6**

**Some people are like a Slinky ... Not really good for anything,  
but you  
still can't help but smile when you shove them down the stairs.**

## **Number 5**

**Health nuts are going to feel stupid someday,  
lying in hospitals, dying of nothing.**

## **Number 4**

**All of us could take a lesson from the weather.  
It pays no attention to Criticism.**

## **Number 3**

**Why does a slight tax increase cost you \$200.00,  
and a substantial tax cut saves you \$30.00?**

## **Number 2**

**In the 60's, people took acid to make the world weird.  
Now the world is Weird and people take Prozac to make it  
normal.**

## **And The Number 1 Thought For 2010**

**"Life is like a jar of Jalapeno peppers;  
What you do today, might Burn Your Ass Tomorrow"**
